初始化配置 （配置例子）

```
admins@skilltest:~$ openclaw onboard
```

The image shows the OpenClaw onboarding interface. At the top, the command 'admins@skilltest:~\$ openclaw onboard' is entered in a terminal. Below the command, there is a large 'OPENCLAW' logo in a pixelated font. To the left of the logo is a small icon of a claw. Below the logo, the text 'OPENCLAW' is displayed in a smaller font. To the right of the logo, the text 'OpenClaw onboarding' is displayed. Below this, the text 'Security' is displayed, followed by a line 'Security warning - please read.'.
